Dear Leo:

I was trying to report abandoned xmas trees on the 311 app however there is no category that I can report it to. Here are the following locations:

1. South East Corner of Lexington at Wilcox Avenue (there is an apartment building )
2. 1134 Wilcox Avenue on the west side of the street (duplex)
3. 1219 Mc Cadden Place - there are four christmas trees

Let me know if there is a more efficient way to report these trees. The challenge with the Hollywood Media District BID is that the businesses are surrounded by residential use and there is always stuff being dumped onto the streets.

Thanks again and Happy 2017!
